

DISCIPLINE POLICY

.0608 Discipline

No child shall be subjected to any form of corporal punishment in any day care center.

1. We use direct guidance as a prevention measure. This means to arrange the environment to prevent misbehavior.
2. We use Time-Out inside the classroom and outside on the playground.

Parents play in important part in the behavior of the child while at the center. Your cooperation and support are greatly appreciated.

In accordance with rule .0608 as adopted by the Child Care Licensing Commission, I have been informed of the discipline policy of Bethel Day Care. I have also received a copy of this policy.
