## BETHEL CHRISTIAN ACADEMY

---

*Enlightening the mind, edifying the heart*

Bethel Christian Academy was founded in 1970 as a ministry to Christian families in the area. BCA offers instruction from Pre-K through 12th grade. Our school is a ministry of Bethel FWB Church of Kinston, NC that provides an excellent college preparatory education for approximately 350 students. BCA builds on the truth of Biblical salvation and values.

BCA welcomes families who understand our conservative Biblical commitment and who are willing to cooperate with our whole program. Currently, students represent over 30 local churches from the surrounding areas.

BCA's reputation for academic excellence in a Christian environment is evidenced by the numerous awards and scholarships won by graduating students each year
